School Chiefs

It is my hope for you that OHS is producing informed individuals capable of leadership; individuals who can think independently and whose thinking is based on sound knowledge. It is my hope for you that we are producing pupils at OHS who are not content to be mere receptacles for information.

Norbert Baugh,
Superintendent

The last lesson is the most important! It is based on a statement and a question.

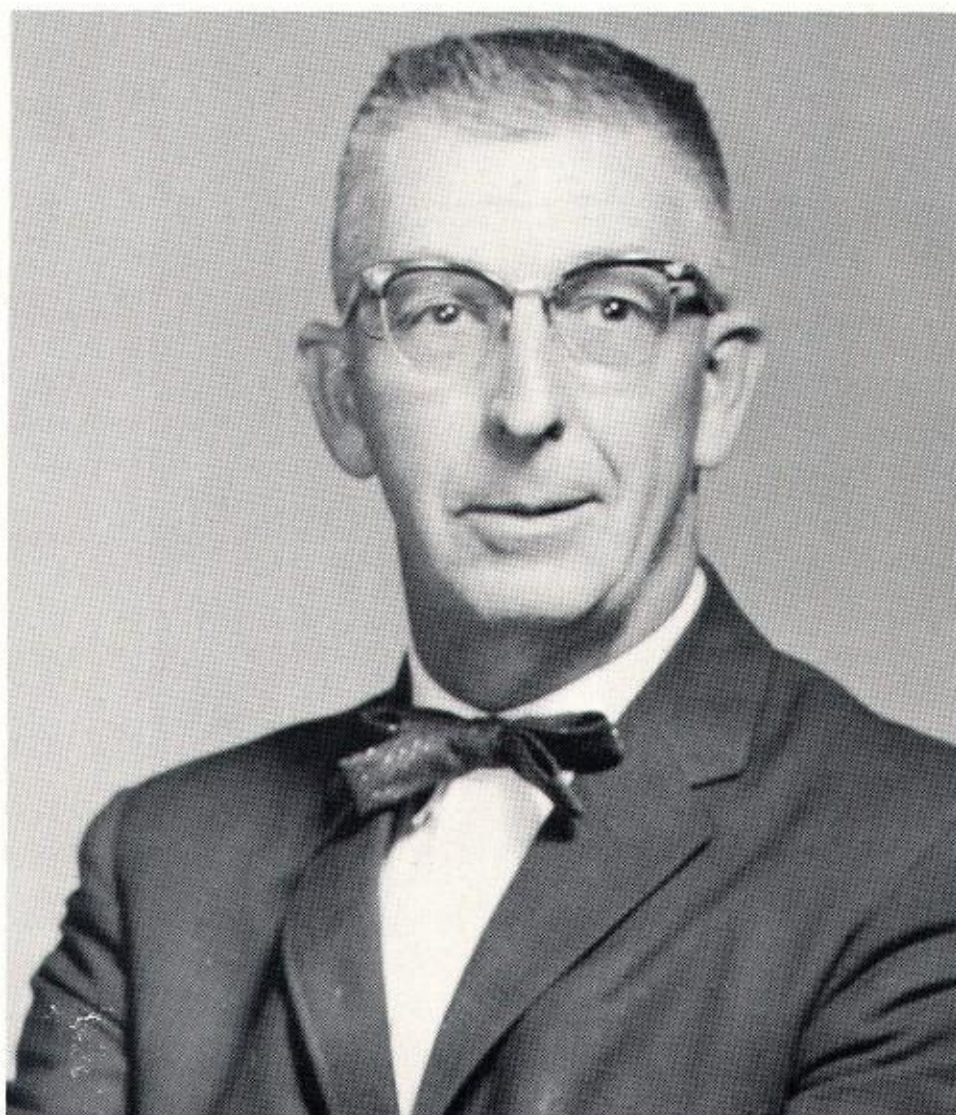

"It is better to light a candle than curse the darkness." - Adlai Stevenson

The question: "Why do I exist?"

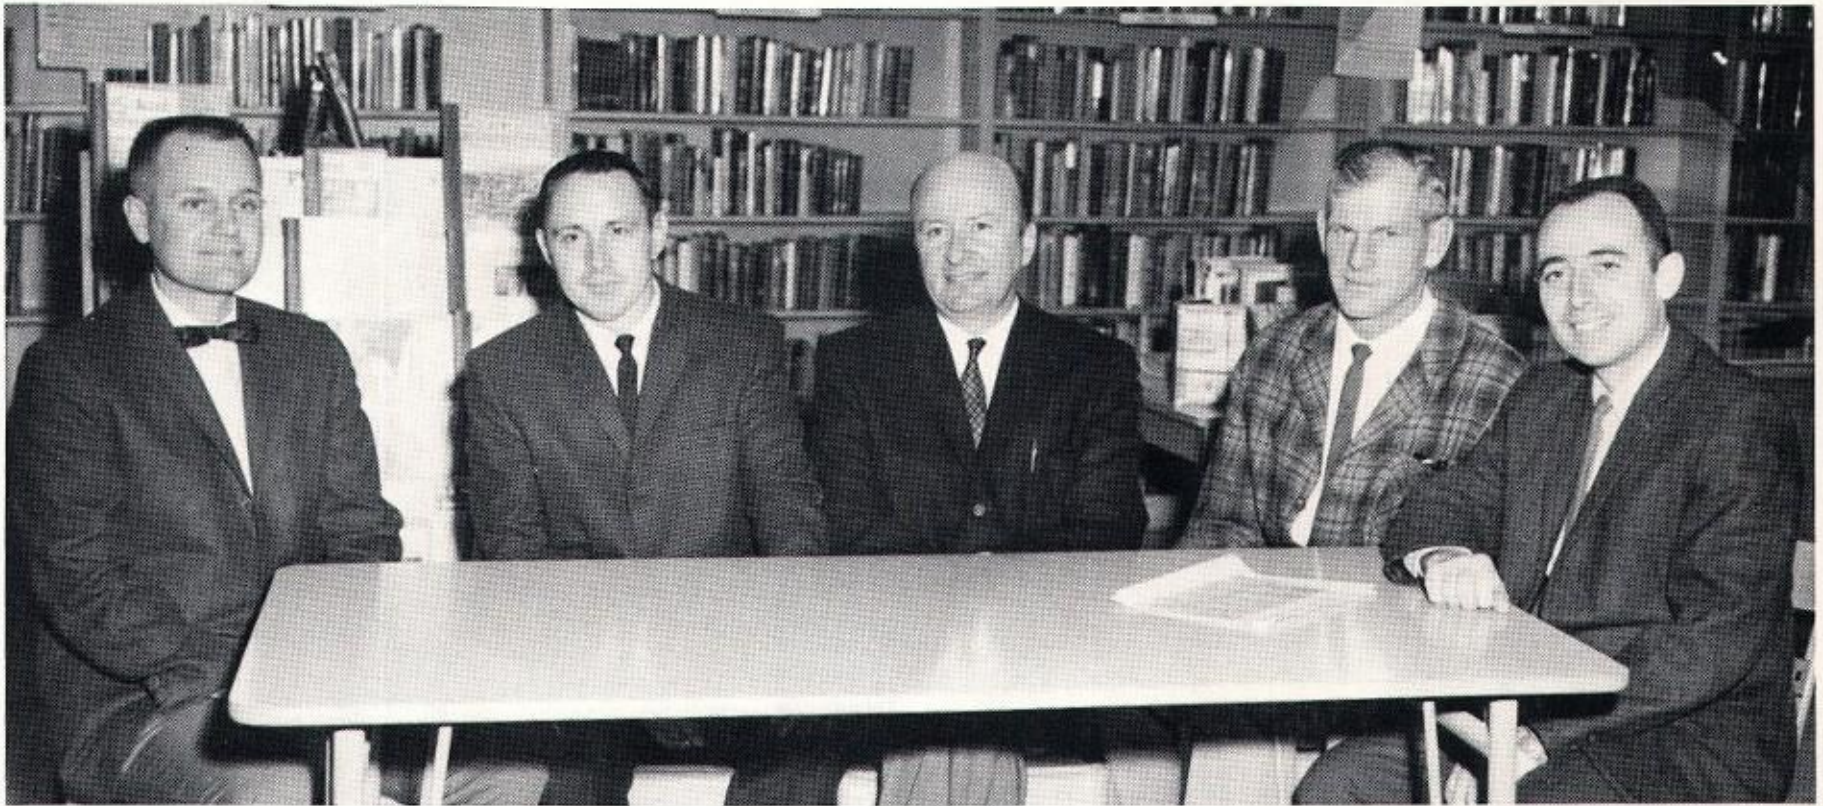

Your consideration of these two ideas will determine the course of humanity.

Good Luck!

Mike Rowe,
Principal

Faculty and Classes

Both the OHS faculty and the list of classes had new members in the fall of 1965. Mr. Paul Ernst and Mr. Dave Johnson were added to the faculty. Music Theory, Speech, and Honors English made their debut as outstanding and worthwhile classes.

A graduate of EWSC, Mr. Ernst taught speech, English 10, and world history. Mr. Johnson, a 1965 graduate of the University of Puget Sound, taught U.S. History and was on the coaching staff. Both teachers were invaluable aids to the students in extra-curricular activities and as members of the teaching staff.

Music theory was a very successful course. By learning major and minor scales, chords and chord progressions, and composition principles, the students mastered the basic fundamentals of music structure. Through this study, they gained a much better understanding of how music is made.

Through units on the different types of speeches, debate, and the use of the microphone, the students in speech class learned the proper technicalities inherent in speech-making. They developed an innate sense of accomplishment and greater confidence in themselves. Its worth as a course is obvious in the statement of Mr. Ernst, the instructor, --"The individuals in the class have improved in some cases as much as 500%."

Honors English has now been in OHS for two years. The class, for advanced senior English students, was based on the idea of non-competitive intellectual activity. Through considerable amounts of literature and writing, the students explored and evaluated many areas of human creativity. Each student functioned on his own level and was judged by his own self-set standards. It has effectively stimulated the development of the student's faculties for critical and creative evaluation.

Earl Myers

Mr. Earl Myers passed away Sunday, January 23, after serving nearly ten years as school custodian. Perhaps his job seemed insignificant to many. However, to those who knew Mr. Myers, he was a kind and generous person. Above all other qualities, he was a very, very "proud" man--proud of his family, his community, the school and his job, and proud to be an American! Pleasant memories of Mr. Myers will always remain in our hearts.

The head of the cafeteria is Flossie Harsh. Her assistants are: Ella Houston, Nellie Hansen, Bertha Meyers, LaVerne Roberts, Odelene Finch, and Ruth Rockey.

The bus drivers are: Joe Dezellem, Monte Moomaw, Nat Giacomini, Bob Wilkinson, and Richard Rockey, chief of transportation.

Mr. Lee Weber assumed the position of custodian during the second semester.

Student Administration

Doug Houston, Vice-President; Ruthann Freese, Secretary;
Connie Vance, Treasurer; Chris Erickson, President.

To the Student Body:

A school has only the qualities of its students. Omak Senior High School needs each student to participate in activities to develop a program of which we can be proud.

Chris Erickson,
ASB President

SENIORS

Seniors

President, Jerry Hendrick; Treasurer, Carol Mittelstaedt; Vice-President, Gene Denk; Secretary, Linda Laycock.

The Senior class started their 1965-66 school year with their Homecoming float, "Eve of Destruction." Thanks to the cooperation of the members of the class, the float took second place. Perhaps one of the chief projects of the Seniors was raising money for the Senior Ball. This event, entitled "Alpine Haus," occurred November 20, 1965.

Under the leadership of Jerry Hendrick, the Seniors completed a successful year by graduating May 27, 1966, in the Copple Auditorium.

SOPHOMORES

Sophomores

Secretary, Martha Cottrell; President, Barry George; Treasurer, Sue Walton; Vice-President, Tom Christensen.

The sophomores started the 1965-66 school year with their Homecoming float, "All Aboard For Victory." This was really the first time they had been a part of the high school. Another major class project was the Sophomore Hop held later in the year during basketball season. Throughout the year the sophomores showed tremendous school spirit and pep, both at games and during school hours. Under the leadership of the class president, Barry George, they participated in school activities, club events, and athletics, and soon became an integral part of Omak High School. The sophomores have two more years on their ladder to success, and they will surely continue with as much drive and ambition as was shown this year.

It's been a lot of fun
this year and we still have
one more that will probably
be even more fun. Our
chemistry class would have
been dead without you,
and it was still pretty
bad anyhow. Every night
I ask myself why I ever
signed up for it. At
least now we can warn
the under-classmen.

Beaucoup de la chance.
